Theme Set for 22nd Felix Grundy Festival

Grundy Center, IA – On Friday, July 10th and Saturday, July 11th, Grundy Center will experience a little bit of Hollywood. This year's theme *Lights, Camera, FELIX!* features fun events for the entire family.

Members of this year's planning committee are: Sue Graham, Mindy Greany, Laura Kuznia, Carrie & Kent Theesfeld, Melvin & Chris Bowen, and Melanie Kirkpatrick. Co-Chairs of the Festival are Gina Bonk and Meghan Lynch.

The group has been busy planning this year's event which will feature many favorites of the celebration including the opening act on Friday night, Higher Power; Loose Neutral at the Saturday night dance; a variety of inflatable games; FREE caricatures; Kingdown Klowns; the community breakfast and all-school reunion; teen dances and much more!

This year the event will also feature a Hollywood-themed evening at the dance on Friday night. Festival-goers are invited to walk the red carpet and mingle to the sounds of Pretend Productions, a DJ service.

In order to continue to provide quality entertainment at an affordable price, the committee would like to encourage not only businesses but individuals to donate to the 2009 Felix Grundy Festival.

This year attendees can also feature themselves and their families on a Felix Walk of Fame by donating to the Festival. Three levels are available for purchase and stars will be on display throughout the weekend.

If you or your family has enjoyed the events over the last several years, show your support with a donation and receive a star. Donations can be made payable to: Felix Grundy Festival, 705 F Avenue, Grundy Center, IA 50638.

Please contact the Chamber of Commerce at 319-825-3838 with any questions.
